Sep 2022 - May 2026

University-Parul University
Degree- B.Tech in IT
Expected Graduation:2026

PROFESSIONAL EXPERIENCE

Web Developer Intern
Codsoft | May 2025

25 MAY–25 JUNE

Completed a 4-week internship focused on Web Development.

Gained hands-on experience with HTML, CSS, JavaScript, and web development fundamentals.

PROJECTS:-

Amazon Clone: Built a responsive Amazon-like e-commerce website using HTML, CSS and JAVASCRIPT.

Tracksync Music:- Music Streaming Website

- Developed a music streaming platform with an intuitive and engaging front-end interface.
- Implemented responsive UI using modern frameworks (HTML / CSS / JavaScript).

KnowledgeHUB:-

Students face doubts while studying independently.
Traditional learning lacks instant support outside classrooms.
KnowledgeHub: MERN-based platform with:
- Real-time video calling with tutors
- Live chat with tutors
- Study materials
- AI-powered chatbot

Portfolio Website:-

A curated collection of projects showcasing expertise in front-end development, responsive design, and interactive user experiences. Includes work on personal and academic projects such as portfolio websites, e-commerce prototypes, and IoT-based applications, built using HTML, CSS, JavaScript, and modern frameworks. Demonstrates strong skills in UI/UX design, problem-solving, and delivering functional, visually appealing solutions aligned with user needs.

CAREER GOAL:

To become a skilled full stack developer who can build scalable, maintainable and user Focused web applications while continually learning and adopting emerging technology.
